- inter-semester study away programs for those aspiring to work in educational settings
- international student teaching placements | international teaching paths
- scholarships & funding | application process & deadlines
- alumni poster presentations & personal reflections
- snacks from around the world!

The Michael and Nancy Chicola International Professional Development Schools (IPDS) is a campus-wide initiative through the Buffalo State School of Education PDS Consortium. IPDS seeks to increase intercultural humility, explore language learning, and develop high quality educators and professionals who are prepared to support the needs of all children by building knowledge, skills, and dispositions for global understanding.

Sponsors: Professional Development Schools Consortium (PDS), School of Education Office of the Dean, International Graduate Program for Educators (IGPE)
