

Professional Development Schools Summer Update

Summer 2022

A Message from the PDS Director

Dear PDS Community,

I hope you are enjoying this beautiful summer. An amazing team and I have been busy planning for the new school year. Please join us for the 2022 PDS Conference on September 30, 2022, in Campbell Student Union- Social Hall. Registration information is included in this newsletter.

We had an informative PDS meeting at Tapestry Charter School in April. It was so wonderful to get back to meeting in person and hearing about the school's important initiatives. Please be sure to contact me if your school is interested in hosting a PDS meeting this school year.

You can still access the "All Hands on Deck" recordings to help prepare you for the new school year. Visit <https://pds.buffalostate.edu/professional-development-pds-partners> to select free videos.

The July TEUPAC attendees had some exciting new ideas for future meetings. This year at meetings, we will have a brief presentation from one of our PDS stakeholders. and consistently include mentor teacher concerns on the agenda for each meeting.

I will be flying solo in the director position for a bit. Your participation and support of PDS initiatives are greatly appreciated.
